Henrietta is an award winning show cow and is the tallest longhorn we have ever had the opportunity to own. She is sired by JR Bonanza who has produced an over 90 inch TTT cow. Henrietta's calves are always the biggest that hit the ground each year. Her bull calf born in the spring of 2020 was 70 pounds at birth. Predicting to finish in her mid 70's TTT and consistently producing size, Henrietta is a total package. We haven't even mentioned she would
